

Learning FUN!

Activity

A picture-perfect way to make student birthdays unforgettable!

Pixel-rific Birthday

Teacher-Made Activity

Capture the fun and excitement of student birthdays with a pixel-rific frame!

You'll Need:

- T10618** BlockStars!™ Buddies
Classic Accents® Variety Pack
- T10850** BlockStars!™ Clips
Mini Accents Variety Pack
- T85342** Pixels *Bolder Borders®*
- T85303** Yellow *Bolder Borders®*
- T85301** Black *Bolder Borders®*
- T79759** Pixels 4" Playful Uppercase/Lowercase Combo Pack *Ready Letters®*

Scissors, glue or double-sided tape, and cardboard

Directions:

 (20" x 21" Frame)

- For the top and bottom of the frame, layer one yellow and one black 20" border. Glue or tape into place.
- For the sides of the frame, use one Pixels border and one yellow border cut to 21" long.
- Assemble sides as shown. **Hint:** The frame will be sturdier if mounted to cardboard with the center cut out. Glue or tape the cardboard to the back of your frame.
- Use the Ready Letters® to spell out "Happy Birthday" on your frame.
- Decorate with accents.
- Snap photos of students on their birthdays to make them feel extra special. Showcase photos around the classroom or give them to kids as a keepsake.

Make It Your Own:

Use our BlockStars!™ products and other accents, borders, trimmers, or art supplies you might have.
