

ALPHABET FUN!

★ Featured Display

Subject: Language Arts and Art

Learning Objective: Name the letters of the alphabet in order and randomly; practice beginning word sounds.

Gather solid color uppercase and lowercase Ready Letters®, crayons, paper, and tape. Students each choose a letter, then tape it onto a sheet of Terrific Papers®.

Each student names the letter out loud, then draws an object with the same beginning letter sound around the letter. For example, draw a dinosaur or dog around the letter D.

Invite students to present their drawings to the class, naming the letter and the object or animal in their picture.

Display the colorful parade of alphabet creations beneath the Emoji Alphabet Line.

★ You'll Need:

T8288 Emoji Alphabet Line Standard Manuscript Bulletin Board Set
