**Subject:** Language Arts

**Learning Objectives:** Demonstrate an understanding of parts of speech and practice listening skills.

Group the class into three teams and give each team a part of speech. Write the three parts of speech on balloon bouquets and add to the display with Terrific Pockets™.

Read a short story about a birthday party as the class listens for their parts of speech. When the story is complete, teams discuss the parts of speech words they heard and one teammate writes the words on Terrific Index Cards™. Choose another teammate to place the index cards in the pocket on the display.

Play stops when a team uses all their cards and fills their pocket with words. A spokesperson from each team reads the words to the class. Celebrate a job well done with an enthusiastic class cheer!
