

The thrill of the hunt is on!

- Follow the tracks.
- Listen along the way.
- Discover words with matching sounds.
- Hear the roar of success resonate throughout the halls and walls of learning.

Big Roar for Blends!

You'll Need:

T10121 Discovering Dinosaurs™ Tracks
Classic Accents®

T10997 Discovering Dinosaurs™
Classic Accents® Variety Pack

T10594 Discovering Dinosaurs™ Tracks
Mini Accents

T92386 Grass Terrific Trimmers®

Rocks, sand, craft stick, printer paper, plaster container, foam core, double-sided tape, and marker.

Directions:

- Write "Big Roar for Blends!" on a dinosaur accent and attach it to craft stick.
- Print several words with ending blends, including at least two different words with the same ending blend in the mix. Cut out words, taping one word to each dinosaur track back.
- Cut grass trimmer to wrap around the plastic container, attaching the two ends with tape.
- Line container bottom with foam core, filling it with sand and rocks. Embellish outside of the container with rocks.
- Insert dinosaur tracks and header in sand. Position mini dinosaur tracks to lead up to the container.
