

Learning FUN! Activity

Use a different color for each group of 5.

Friendly owls join together to present the alphabet in a colorful and orderly fashion. They also do an awesome job of connecting letters to form words or names. Liven up the lessons by attaching paw prints together to display numbers. Now I know my ABCs and 123s, tell me....

Creative Clothespins

You'll Need:

T-10880 Owl-Stars!™ Mini Accents Variety Pack

T-10859 Paw Prints Mini Accents Variety Pack

T-1785 Black 1" STICK-EZE® Stick-On Letters

Wooden clothespins, hook and loop tape (Velcro), scissors.

Directions:

Position pieces to make 26 creative clothespins. Attach one alphabet letter to each owl accent.

Then place owl accents on clothespins using hook and loop tape. Cut 26 small pieces to fit on one side of the wooden clothespin.

Open and close the clothespin to ensure that they're functional and connect them together as shown.

Then the fun begins with students making words or the alphabet by linking letter clothespins together. Create an ABC lineup and display it for all to enjoy.

For more learning fun, use numbers to help teach counting.
