

Learning FUN! Activity

It's fun to find a fancy birthday cupcake display on your desk! Make one stand to give to each student or create a monthly birthday display, recognizing all of the month's upcoming birthdays.

Cupcake Stands

You'll Need:

T-92353 Colorful Brush Strokes
Terrific Trimmers®

T-10858 Bake Shop™ Cupcakes
Mini Accents Variety Pack

Heavy construction paper, scissors, a ruler, a marker, toothpicks, and glue or tape.

Directions:

For each stand, cut out one 2½" circle from construction paper and four 4" strips of the Colorful Brush Strokes Terrific Trimmers™. Glue the Terrific Trimmers® together in pairs with the patterned sides

facing out. Make a slit in each of these by cutting vertically from the bottom up 2". Line up the two slits and slide the stand pieces together to create a freestanding shape. Glue or tape the circle shape onto the top of the stand. Cut a small strip of heavy construction paper and fold it in half to create an "L" shape. Glue one side of the "L" to a Bake Shop™ Cupcakes Mini Accent, and the other side to the round top of the stand. Make a banner from a small rectangle of paper and write a student's name and birthday on it. Attach the little banner to a toothpick and then to the back side of a cupcake Mini Accent.
