- T10654 Fall Oak Leaves & Acorns Classic Accents® Variety Pack
- T10097 Oak Leaves & Acorns Classic Accents®
- Yarn, glue, craft eyes, twigs, leaves, colored paper, and pom poms

Directions:

- Explore nature, then create Fall Friends.
- Take your class on a fall walk to enjoy nature and collect fallen twigs, colorful leaves, acorns, and more.

- As you walk, talk about changes that occur, like why leaves change color or how animals prepare for winter.
- Return to the classroom and place collected items along with TREND leaf accents and art supplies in a central location.
- Begin by choosing a leaf accent to use for the body. Decorate your characters with items from your nature walk and art supplies.
- Each child makes a collection of fall friends and tells a story to introduce them to the class.

Display your community of new friends for all to enjoy throughout the season.

Make It Your Own:

Form groups that create short plays they perform for classmates about appropriate dress for the season, fall holidays & activities. Bonus: Use your fall friends as puppets!
