

# Learning FUN!

## Activity

Spark imaginative stories about the ocean and ocean life!

### Fish Tales

#### Teacher-Directed Activity

*Whether you're wrapping up a unit on the ocean or just looking for a fun creative writing activity, this student-made book fits the bill!*

#### You'll Need:

- T11456** Sea Buddies™ Terrific Papers®
- T46333** Sea Buddies™ superShapes Stickers – Large
- T593** 8-Pack Regular Assorted Wipe-Off® Crayons

Scissors, a stapler, and sheets of plain paper

#### Directions:

- Give each child a patterned sheet of paper and four sheets of plain paper.

- Each child folds the patterned sheet in half so it's 8½" x 5½". They do the same with several sheets of plain paper. Staple all pages together on the center seam.
- Everyone personalizes his/her book by writing a seaworthy title on it.
- Encourage them to fill the book with stories about the ocean and marine life, splashy drawings, and stickers.
- Children can't wait to share fascinating fish tales with friends and family!

#### Make It Your Own:

These fun do-it-yourself books can be used to recap any subject or unit!
