

Learning FUN!

Activity

Take a trip around the globe!

Geography Passports

Teacher-Directed Activity

Calling all explorers! Come travel the world and learn amazing facts along the way.

You'll Need:

T10980 Passports *Classic Accents® Variety Pack*

T91352 World Flags *Terrific Trimmers®*

Marker, construction paper, storage container, and Internet access

Directions:

From the Rainbow Mountains in China to Australia's mysterious wildlife, there's so much in the world to discover. First stop? Fun!

- Write the name of a different country on the front of each accent.
- On the back, write three questions to research about that country.
- Store the worldly passports in a fun container decorated with trimmers.
- Add a sign inviting global explorers to "Choose a Travel Adventure!"
- Watch faces light up as friends share all they've learned on this world-class tour.

Make It Your Own:

Take a trek across America and find interesting facts about each state ... its specialty food, state bird, landmarks, climate, and more.
