You'll Need:

T-10831 Handprints *Mini Accents Variety Pack*

T-80017 Fall Leaves *Terrific Trimmers® – Discovery*

Multicolored construction paper, 3-D craft eyes, small piece of red yarn, twigs, cardboard, white paper, 6" paper plate, regular or masking tape, double-sided tape or glue, scissors.

Directions:

For the door hanger, cut a 3½" x 14½" piece of heavy cardboard. Cut trimmer pieces to the size of door hanger and glue them on the hanger. Cut a 2¼" hole at least 1½" from the top of hanger. Cut turkey body, hat, collar and necktie out of construction paper as shown. Fold a small piece of orange construction paper and cut heart-shape turkey beak. Cut a small hole in top of turkey beak.

Thread red yarn through hole. To ensure that it doesn't come through hole, tie a knot at end of yarn. Glue yarn. Allow to dry. Then glue all turkey parts, including 3-D eyes, to door hanger as follows:

- Position handprints like a fan and glue them and turkey body to paper plate; then glue paper plate to door hanger.
- Tape twigs (feet) under turkey's body.
- Write a fun motivational phrase. Attach to heavy cardboard piece covered with orange paper.
- Glue motivational phrase at bottom of hanger.
- Let hanger dry overnight before hanging.
