Directions:

- Tape or glue two cup bottoms together.
- Use STICK-EZE® letters to spell "FIRST PLACE" or any other slogan you'd like at the top of the trophy.
- Use Ready Letters® to make the handles of the trophy. Fold the ends of an uppercase "U" and tape to the cup. Repeat for the other side. Many other letters work well too, such as uppercase "C", "D", "V", "O", even "G", or lowercase "a", "c", "o", "u", or "v". Be creative, choose any letters you want, and make a one-of-a-kind trophy!
- Add colorful stickers.
- These trophies are the perfect prize for Read-A-Thons, food drive events, science fairs, and more. Kids will proudly display them.
