

# Learning FUN! Activity

Let little owls help with Ending Blends! Every day introduce a new owl friend to the class, and discuss the ending blend on its tummy. Ask the children how many words they can think of that end with those letters. What a hoot!

## Owl-Stars!™ Blends

### You'll Need:

- T-85112** Farm Fence *Bolder Borders*®
- T-10996** Owl-Stars!™ *Classic Accents*® *Variety Pack*
- T-10117** Owl-Stars!™ *Classic Accents*®
- T-72076** Owl-Stars!™ *Note Pad*
- T-1785** **Black 1"** *STICK-EZE*® *Stick-On Letters*

A brick of floral foam (24" x 2"), craft sticks, glue or tape, a marker, a small-diameter dowel, and paper crinkle shreds.

### Directions:

Create the fence with a long, straight piece of floral foam. Along the entire front of the foam, glue the Farm Fence Bolder Borders®. Make the helpful owls using the Owl-Stars!™ Classic Accents® Variety Pack and one ending blend, such as -nk, -sh, -ck, -nd, -nt, -ch, -th, -sk, -ng, -mp, written on each owl's tummy with STICK-EZE® Stick-On Letters. Glue the owls to craft sticks, and press them into the floral foam so they look like they are sitting on the fence. Cover the foam with paper crinkle shreds. Add a header sign by writing, "Ending Blends" on the tummy of an Owl-Stars!™ Classic Accents® and taping it to the small dowel. Make sure it is taller than the other owls, and press the dowel into the floral foam. Supply students with an Owl-Stars!™ Note Pad for writing down the words they make from the blends.
