Elegant Envelopes

You'll Need:

T-11422 Owl-Stars!™ Terrific Papers™

Scissors, ruler, and a compass.

Optional: T-46194 Owl-Stars!™ superSpots® Stickers or T-10880 Owl-Stars!™ Mini Accents Variety Pack.

Directions:

1. Measure in $2\frac{3}{4}$ " from each short side ($8\frac{1}{2}$ ") of the sheet and mark. Fold each side at the marks you've made, keeping the printed side of the paper on the outside of the folds. The edges of the sheet should meet at the center.
2. On the long sides (11"), measure, mark, and fold at $2\frac{1}{8}$ ". You'll have a $5\frac{1}{2}$ " x $4\frac{1}{4}$ " rectangle in the middle of the sheet.
3. Open the sheet and cut out the corners along the fold lines you've created.
4. Use a compass to lightly draw matching rounded corners on each flap of your sheet, then cut along these marks.
5. After adding a note, lap the edge of each flap under the flap next to it, as you might do to close a cardboard box. Optional: Seal with a sticker or Mini Accent.
