

# Learning **FUN!** Display

## ★ Featured Display: Keep on Schedule

Help keep kids on track and up-to-date with classroom reminders, notes, and schedules. Post the headers from this set and fill in the information in a fun fashion: write student birthday names on Smiley Stars, daily schedules on Terrific Papers™, and post a picture of the star student. Develop a list of class rules. Discuss them as a group and post them as a visual reminder. Provide positive reinforcements to students under the Way to Go! headline.
