

Aligns with Learning Standards

## ★ Featured Display

Give each student a passport to explore the wonders of the world!

- Display the pieces from the set as shown, along with The World Wipe-Off® Map.
- Ask students to choose a major city in the world they have not visited to research and explore.
- Have them write a report about the city, sharing interesting facts about it.
- Display student reports, a passport identifying the student who wrote the report, and words of praise.
