

## Wipe-Off® Stars 'n Swirls Calendar T-8320

### ★ Featured Display: Learn the Months

Make it easier for students to learn the sequence and ordinal number of the months with a visual reference. Display the month labels in order in a column next to the calendar. Switch labels each month, leaving a space where the current month's label would be. Trim two Wipe-Off® Sentence Strips and place below the calendar to write the current date two different ways.
