

Monkey Mischief™ Calendar T-8340

★ Featured Display: A Trip to the Zoo

Get students involved in creating a fun display to complement your calendar. First, take a trip (real or imaginary) to the zoo. Invite students to select a favorite animal from the pack of Pocket Flash Cards. Tape these to note pad sheets and write student names on banana accents. Use these to surround your calendar with an animal theme. Add Ready Letters® to spell "Look who we met at the zoo!" and frame it all with Terrific Trimmers®. To extend learning, students draw pictures of their favorite animals and research 3 to 5 interesting animal facts to share with the class. Showcase their work on this display, and then invite other classes to visit your room and take a trip to the zoo with you!
