★ Featured Display: Be a Wise Learner!

Empower students to be "Wise Learners" with good study habits. Each day, select one of the study habit phrase signs from this set and engage the class in a lively discussion, brainstorming ideas for mastering that study habit. Next, the class identifies which ideas on the list are the best ways to master that study habit. List the best ideas on a sheet of Terrific Papers™, and add it to the display beneath the study habit phrase sign. Continue until the entire set is on display. Kids are proud to see their ideas used for reference. You'll develop a classroom of "Wise Learners" with habits they'll practice every day!
