

Frog-tastic!™ Birthday Party T-8717

★ Featured Display: Birthday on the River

Delight students with this whimsical birthday display. Create a 3-D river with a length of brilliant blue cellophane wrap that you scrunch and tape to your display board. Tape the “Happy Birthday” and shooting star pieces at the top of your display. Add dimension to your set pieces by taping cardboard or foam core squares behind each piece. Then arrange and tape down the frogs, cake, balloons, gifts, bugs, and music notes on and around the river. Write the names of birthday students on a matching note pad sheet and add it to the display. Frame it all with a cool green trimmer for a river-themed party that’s fun for all ages!
